PRAYER FOR A PRIEST

Lord Jesus, Eternal Priest, You called Father Ubaldo Bordin to share in your holy priesthood. In Your name he blessed the bread and wine, invoked Your mercy upon sinners, comforted the sorrowful, presented our prayers to the Father, and helped us walk, humbly and courageously, on our journey to eternity.

Accept him now, Lord, as he returns to the bosom of the Father, his own journey ended, and seeks the reward promised to all who follow You. Grant him peace and eternal rest in the land where he will sing Your praises forever.

Amen.
