RICCERI

WELCOME ADDRESS
TO
VERY REV FATHER RICCERI, VITH SUCCESSOR
OF
ST. JOHN BOSCO.

Very Rev. and dear Father,

We the staff and students of Don Bosco Perambur, extend to you a very warm and hearty welcome. We see in you a true image of Don Bosco our Father, whose concern for the youth of the world has prompted him to establish the Salesian Congregation and do so much good for mankind. And we, in India are very ~~much~~ fortunate to-day, as we can see with our own eyes, a true figure of the person who represents Don Bosco to the world. We know that you have undertaken this trip to India, with ~~much~~ great love for your children who are working in this country. It has caused you immense sacrifice. We thank you sincerely for this your visit, undertaken at such heavy sacrifice.

We wish also to express our gratitude for all what you are doing through the Salesians in India, especially in Madras, for the education of the youth, for the uplift of the poor and for the salvation of souls. We ~~wish~~ to thank you in a special manner, for giving us an opportunity to be educated here in Don Bosco High School, Perambur. We also wish to thank you for the fine school building which good Father Provincial has built for us.

We promise you to be good children of Don Bosco and ever be faithful to his noble teachings. We beg you to remember us and bless our Superiors, teachers and our affectionate children.

We remain,
Your affectionate children in D.B
