

In den Abendstunden des 22. Juli 1975 rief der ewige Hohepriester seinen treuen Diener im Priesteramt, unseren lieben Mitbruder

P. Ludwig Glaser

Salesianer Don Boscos

Pfarrer der Pfarrei St. Petronilla in Aulhausen/Rhg. und langjähriger Direktor des Jugendheimes Marienhausen plötzlich und unerwartet zu sich in die Ewigkeit.

Er stand im 73. Lebensjahr, im 44. Jahr der Ordensprofeß und im 37. Jahr seines Priestertums.

Er wurde geboren am 3. Februar 1903 in Edesheim/Pfalz. Als Spätberufener fand er zu Don Bosco.

Nach dem Noviziat in Ensdorf/Opf. trat er am 15. 8. 1931 durch Ablegung der 1. Ordensprofeß der Kongregation der Salesianer Don Boscos bei.

Von 1931 bis 1935 machte er sein pädagogisches Praktikum in Helenenberg b. Trier. Nach den theologischen Studien wurde er am 29. Juni 1939 in Benediktbeuern/Obb. zum Priester geweiht.

Von 1939 bis 1953 wirkte er als Wirtschaftsleiter auf dem Helenenberg. Von 1953 bis 1958 war er Direktor in Saarbrücken; danach 9 Jahre lang Direktor des Jugendheimes Marienhausen von 1958 bis 1967.

Nach nochmaligen drei Jahren Direktor in Saarbrücken von 1967 bis 1970 kehrte er am 18. September 1970 als Pfarrer der Pfarrei St. Petronilla in den Rheingau zurück. Bis zum Abend seines Todes wirkte er als unermüdlicher Seelsorger. Noch am Nachmittag des 22. Juli 1975, seines Sterbetages, war er zum Beichthören bei den Ordenschwestern in Lorch und Lorchhausen.

Im Kreis seiner Mitbürger verbrachte er viele Stunden, sein Rat wurde von vielen gesucht. Er war ein eifriger Gesprächspartner.

2020 Global Outlook

What will happen?

But before we can answer this question, we must
understand what has happened so far. In fact,
the development of the market, which has been
described above, is not unique. It is representative

of the development of most other markets around
the world. In fact, there is little difference between
the development of the Chinese market and that of
other countries. This is because the Chinese market
has been developing rapidly over the past few years.

While the development of the Chinese market is
not unique, it is unique in that it has been developing
so rapidly. This is because the Chinese market is
unique in that it has been developing rapidly over
the past few years.
